National weather @AccuWeather.com

For forecast for Sunday, April 21, 2019

Bands separate high temperatures zones for the day.

NATIONAL SUMMARY: While the entire day will not be a washout, showers will dampen parts of the Northeast on the Easter Sunday. Dry and mild weather will spread to the South and the warmth will build further across the South Central states ahead of a storm sparking showers and thunderstorms over the northern Plains and across the Rockies. The West Coast will see the day.
